Apply for a Grant

The Community Grants program is an initiative to support not-for-profit community groups by providing financial and in-kind support to enhance their capacity to provide services, leisure activities and opportunities within the Croydon Shire community. The applicant must be based in the Croydon Shire Council region, have a membership base within the Croydon Shire, and be delivering a service which will be of a direct benefit to members of the Croydon Shire community.

The program offers the chance to receive up to $4,000 in grant funding to help deliver projects, events, activities or initiatives.

Everything you need to know about the program and how to apply can be found on Council's website www.croydon.qld.gov.au/about-council/community-services/community-grants

Prior to completing an application it is recommended to read the Community Grants Policy.

Limited funds are available through a competitive process. No applicant is guaranteed to receive approval for all or any funding applied for.

There will be one funding round. Applicants may submit only one application per funding round. Applicants wishing to apply for more than one event per funding round are required to complete one application form detailing all projects / events.

One-off in-kind community grants under $500 may be accessed all year round.
