

CROYDON SHIRE

TIME TO GET READY

Croydon residents are urged to 'get ready' as we move into the summer season by preparing and safeguarding your homes and properties ahead of any severe weather.

- Check the condition of the roof and repair
- Clean gutters and downpipes so water can drain away as quickly as possible
- Trim trees and overhanging branches
- Secure loose items that could cause damage if blown around in high winds

Croydon Town Clean-up Collection Day

Monday 10 December 2018

Place your fly away materials on the footpath for removal in preparation for the storm season.

Collection day will be Monday 10 December 2018, place your items on your footpath the evening before.

General household waste (food scraps) and hazardous wastes (oils, chemicals, gas bottles) must not be placed on the footpath.
