3. Consent

I give consent to the library service mentioned in section 2 above to use and retain the student's name and image taken during Library activities for promotional and reporting purposes.	YES	NO
	(Please circle)	

4. Declaration of applicant

I agree to abide by all the published policies of the library service, and confirm that I am aware the policies and regulations are available for inspection at the library upon request. These policies may include, but are not limited to: internet acceptable use policies, loan policies, behaviour policies and lost/damaged items policies.

The student listed above will be able to borrow materials from the network of Rural Libraries Queensland. By signing, you agree to be responsible for all conditions of borrowing, including the payments of any charges connected with overdue, lost or damaged materials, and for the suitability of materials accessed by the student.

Any person under 18 years who wishes to use the Internet provided by the Library requires guardian permission. By signing, you indicate you understand you are responsible for the suitability of information accessed by the student.

I, the applicant, declare that the above information is correct in all respects at the time of lodgement of this application. Should any of the details given in relation to this application be changed in the future, I understand it is my responsibility to advise my local library service of such changes.

Privacy

Personal information on this form is collected in accordance with the *Information Privacy Act 2009* guidelines and will be used by library staff for the purpose of registering the child as a member of the library and will not be disclosed to third parties unless required by law.

You can change or withdraw your consent at any time by contacting your local library service. However, any existing publications, presentations or promotions that use your Record or Material will not be withdrawn from use.

To offer our services, data is stored offshore and as such we may share your information with companies based outside Australia. These suppliers are only allowed to use the data for contractually agreed purposes and must handle data in a confidential and secure manner in accordance *Information Privacy Act 2009*.
