

Croydon Shire Council

POSITION VACANT

Infrastructure Supervisor

Ready to make a visible impact in a close-knit Outback community? Croydon sits in the heart of Queensland's Gulf Savannah, approximately 550 km south-west of Cairns. With heritage buildings, the iconic Gulflander train, spectacular sunsets and trails for birdwatching, bushwalking, mountain biking and running, it offers a distinctive lifestyle supported by a supermarket, healthcare centre, school and recreational facilities.

The opportunity: Lead the day-to-day coordination, maintenance and management of Council's buildings, facilities, staff housing, heavy plant and vehicle fleet—and help deliver reliable infrastructure that matters to the community.

You will plan and schedule maintenance, coordinate contractors, maintain accurate asset records and respond promptly to operational needs. You will also support capital works and infrastructure projects, improving asset sustainability and service delivery across the Shire.

What you will bring:

- A relevant trade, engineering or technical qualification, or substantial equivalent experience.
- Proven supervisory and team leadership experience, with strong project delivery and contractor management skills.
- Strong organisational, administrative, financial and budgeting capability, including managing competing priorities.
- Clear, professional communication and stakeholder engagement skills.
- Knowledge of relevant water, work health and safety, and local government legislation.
- Proficiency in Microsoft Office 365 and other business applications.
- A current C Class Driver's Licence.
- Mechanical operations and/or local government infrastructure maintenance experience is desirable, but not essential.
